

WELCOME TO OUR NEW MARKET LOCATION

You have three options to accessing our new Market space. See the map to use whichever option suits you best. The third option is from VOLANTE CRESCENT. The road in front of the school is DUNLOP COURT. It loops around into VOLANTE. Then exits on RIO VISTA BOULEVARD. On Volante there is a short walk across the oval, past some Courts and shaded seating area, past a children's adventure play area, then into the "B" section of our Market.

PLEASE STAY WITHIN OUR MARKET AREA, AS WE CAN NOT INTRUDE OUTSIDE OF IT.

We are blessed with an abundance of seating and shade in the Market area. There are rubbish bins for your use. Toilets are very accessible. WE WILL USE THIS EXACT SAME AREA IN THE EVENT OF RAIN, JUST RECONFIGURED.

Enjoy and explore your new ORGANIC FARMERS MARKET setting. It's been a challenging 6 months, and I am very thankful to Merrimac State High School, and Lynelle Potter and Chris Tobin for their gracious assistance.
